ADDITIONAL INFORMATION

- (1) Registration Fee along with half of the costume fee (per class) is due at time of registration. The registration fee is a one-time fee per student, not per class. The first half of the Costume Fee per class is due at registration and the second half is due in December. The registration fee will be refunded if class days/times are changed and the student cannot dance due to a prior commitment. The costume fee will be refunded if class days/times are changed and the student cannot dance due to a prior commitment, or if the class is dropped with written notice by "drop date" of **November 4, 2023**.
- (2) Payment plans are available. **They must be set up with the treasurer by November 4th.** Missing payments will result in costumes not being ordered and dancers not being able to participate in the recital.
- (3) Optional Senior Dance- This will be a dance based on the number of requests the board receives. **It is the senior's responsibility to inform the board that they are interested in doing a dance by November 4th.** The senior must also take at least one other class besides the senior dance. They must also have danced the last three years. It is their responsibility to choreograph their dance and work with an instructor to clean up/assist. They must take at least two private lessons (maybe more if instructor requires) at the rate listed above with a program instructor. The instructor will sign off that dance is complete. It is also the senior's responsibility to let the board know what costume they would like and to pay for that costume. **All senior dancers will need to pay for the year in full at registration.**
- (4) Costume Cost: Tiny tots, Preliminary, Intro and Beginning classes \$60; Intermediate classes \$70; Advanced Classes \$80
